

California Mathematics Council, Community Colleges

Dear Conference Exhibitor or Coordinator:

You are invited to exhibit at the CMC³ 38th annual fall conference at the Portola Hotel and Spa at Monterey Bay, CA. We exclusively represent two-year-college math and statistics instructors in Northern California. Our Conference will have...

- * (new in 2010) EARLY Registration from 2:00 to 4:00 pm & from 5:30 to 6:45 pm on Friday, Dec. 10
- * Reception with a Keynote Speaker from 7 pm to 9 pm on Friday, and
- * Exhibit booths, sessions & a Keynote on Saturday, Dec. 11, 2010, from 8 am to 6 pm.

Space is limited: register early to exhibit. We anticipate an attendance of 300 to 400 people.

Each exhibitor gets a free 1/4 pg advertisement in our conference program. (See below for Larger ads).

Each pipe-and-draped booth is 8' x 10'. You need to contact Tricord Tradeshow Services <info@tricordtradeshow.com> to order your own furniture, electricity, and shipping details.

For pre-printed nametags, send exhibitors' names to Joe Conrad <Joseph.Conrad@solano.edu> by Nov. 20, 2010. No late names, please.

We are happy to give away door prizes for no charge (calculators, gift certificates, wine, etc). Send door prizes to the CMC³ program chair, Susanna Crawford (contact info. below).

We could also give away one item to every participant (in their registration bag) for a small fee. For example, consider sharing a ruler, notepad, eraser, magnet or pencil with your company's logo on it.

Food & beverage catering must be arranged through Amy Gibson <agibson@portolahotel.com>. Participants really enjoy booth-hosted beer, wine or other snacks (especially at 5 pm on Saturday).

Also contact Amy Gibson <agibson@portolahotel.com> to reserve a room for a commercial workshop, recommended for Friday, Dec. 10, 2010 from 3 to 5 pm.

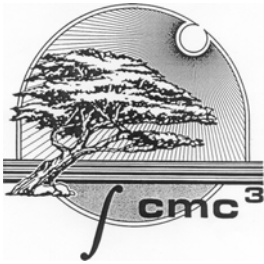

CMC³ will advertise your workshop, but not arrange it.

Remember to ask for the "CMC³ group rate" if staying at the Portola Hotel and Spa.
We look forward to seeing you in Monterey.... Mark

Mark Harbison, CMC³ Business Liaison
